Dear Jan,

As my term as Alternate to the Raymond Conservation Commission expires, I am writing to inform you that I do not wish to be reinstated. I would like to stay involved on an exofficio level to help with trail maintenance, etc. and continue to be notified of site walks.

It has been a great pleasure to serve on the Commission both as a full time member and Alternate. I regret that I can not continue to participate at this time, but will continue to be mindful of conservation issues in town.

Thank you for all that you do.

Sincerely,

Kathy Lee
