

Flint Hill - Rock collecting issue – 2020-2021

12/30/2020

Visited site, talked to a rock collector. Filed a police report

Put up a generic 'no parking' sign on the gate at the end of Norris Farm Road

12/31/2020

Visited site with Lt. Shevlin and another officer. Encountered a rock collector.

Purchased 3 general no rock collecting signs and 2 no ATV signs.

Worked with Steve Brewer on 3 custom signs for rock collecting and no parking

1/9/2021

Installed signs with Mike Unger.

1/14/2021

Visited site and found another person in the quarry. He said he was just looking.

1/5/2021

Submitted request to Google.

1/20/2021

Custom signs ordered - choice between alum and composite. Purchased aluminum.

January 5<sup>th</sup>, 2021

Submitted to Google to fix material on the Flint Hill Conservation link.

The photos and comments on this location Flint Hill town conservation area is encouraging and causing illegal collection of crystals/minerals. This location is the Town of Raymond Conservation Land and taking of materials is prohibited. The town of Raymond would appreciate it if all comments and photos related to rock collection be removed.

Thanks! We've received your report and will review it soon. If we find the image to be in violation of our policies we'll take the appropriate action.

Sincerely,

Google Maps team
