Article 02 Zoning Amendment: Sprinkler/Fire Alarm Systems

To amend Article 8.3.3 of the Raymond Zoning Ordinance to clarify that sprinkler systems shall be installed for all new commercial and industrial buildings of any type to include multifamily residential dwellings of three or more units, lodging or rooming housing, residential board and care, or group housing. Further, any new uses, additions, renovations to commercial and or industrial buildings needing the approval of the planning board or exceeding 50% improvement of such a building as determined by the building inspector, shall require the entire structure to be brought into compliance with this section as a condition of approval before issuance of the certificate of occupancy. Sprinkler plans shall be submitted to and approved by the Raymond Fire Department fire inspector(s).

Structures requiring the installation of a sprinkler system shall also have a fire alarm system installed as defined and accepted by the Raymond Fire Department fire inspector(s). Further, a fire alarm system design plan shall be submitted to and approved by the Raymond Fire Department fire inspector(s) prior to the issuance of a certificate of occupancy.

Sprinkler systems and fire alarm systems required under this section shall meet the requirements of the current edition of the State of New Hampshire applicable codes including but not limited to NFPA 70, NFPA 72, and dependent on the occupancy classification, NFPA 13, NFPA 13D, or NFPA 13 R.

Article 09 Zoning Amendment: Add a new Workforce Housing Overlay District

To add a new Workforce Housing Overlay District to the Raymond Zoning Ordinance, Article 5.6 in conjunction with proposed changes in the Elderly Housing Overlay District. New state legislation requires that if a municipality allows increased density or other dimensional or procedural incentives for the development of housing for older persons, it may allow the same incentives for the development of workforce housing. As of July 1, 2023 any incentives established for housing for older persons shall be deemed applicable to workforce housing development.

At present, Raymond does not have any workforce housing development provisions in its Zoning Ordinance. In response to the above-described legislation, the Planning Board has proposed a Workforce Housing Overlay District which is closely based on the Elderly Housing Overlay District. The proposed density, lot size and other dimensional and procedural requirements for the proposed Workforce Housing Overlay Districts are the same as what is proposed for changes to those provisions of the Elderly Housing Overlay District as described in Article 8 above.

Article 41 Citizen Petition: Community Power Aggregation Committee:

Shall the Town establish a committee of local residents, town officials, local businessmen, local educational institutions,

- landowners and developers to investigate the best avenue for establishing the Town of Raymond Community Power, per NH RSA 53-E. The Organization shall be known as Raymond Community Power. Selectmen shall appoint members to the Raymond Community Power Aggregation Committee (per RSA 53-E:6) in the 2 weeks following the 1st Session of Town Meeting on 2/11/23 and the Raymond Community Power Aggregation Committee shall provide article support at the March 14, 2023, Town Meeting in support of establishing Community Power in Raymond.
- If this article is approved by the Town Meeting in March 2023, the Aggregation Committee shall continue to work on developing the Electric Aggregation Plan (per RSA 53-E:6) and shall define the Aggregation Program (per RSA 53-E:7). All statutory requirements defined in RSA 53:E shall be delivered to the Selectmen in anticipation of hearings for the 2024 Town Meeting or sooner.
- The Raymond Community Power Aggregation Committee shall investigate various methods of aggregation including, but not limited to, Solar Farms, Purchase Power Agreements (PPA), lease, buy, Power Collaboratives and the utilization of Geothermal heating/cooling technologies for applicability. Sales of private power into the Raymond Community Power shall identify considerations for fair allocation of power revenue between parties in the agreement.
- The Community Power Aggregation Committee shall offer recommendations to the Planning Board for recommended changes to the Town of Raymond Zoning ordinances and the Master Plan to accommodate and encourage Community Power as a community asset. The Committee may establish subcommittees to research specific topics and report to the full Power Aggregation Committee for inclusion into the final documents.
- The Community Power Committee shall investigate sources of grants from all sources including, but not limited to, the State of New Hampshire Agencies, Federal Government Agencies and private funding institutions. The committee shall also examine the potential for selling "shares" to community members (crowd sourcing) to enable the ability to purchase defined amounts of energy in future years based on an initial "investment" in a locally owned facility (Solar farm) as a separate class. Shall also examine Brownfield Solar Array deployments.
- The Aggregation Plan shall prioritize municipal and school electricity expenditures, State EAP subsidies for low-income, Elderly (over 55) Housing and Workforce Housing in this order to stabilize and reduce cost variability to these populations and provide a public benefit. Geothermal for large commercial and industrial buildings shall also be assessed. Selectmen shall consider negotiating a 2.0-2.5 MW Solar Farm using a Purchase Power Agreement (PPA) at \$0 cost to the Town for the purpose of providing electric power for school and municipal needs at the Selectmen's earliest opportunity.
