Town of Raymond Curbside Trash collection Availability of Sticker and Signing of WM Extension

On Monday May 9th the Board of Selectmen voted to extend the Waste Management Contract until June 30th. This extension only allows for trash collection, there will be NO RECYCLING COLLECTION as part of this extension. Residents have two options: recycling can be placed into a yellow bag, or a window permit can be purchased at Town Hall so recycling can be dropped off at the Transfer Station on Prescott Rd.

Because the inventory of large yellow bags has been exhausted, stickers can now be purchased at the same price as the large bag. Currently, these stickers are only available for purchase at the Town Hall, however, they will also be available at our regular vendors soon. You will need to purchase your own trash bags and place this sticker on the trash bag. The sticker must be visible and the bag cannot weigh more than 35 pounds.

The Contract with Pinard Waste is currently being reviewed by the Town's legal counsel. Once the contract is finalized, Pinard Waste will start to onboard new customers.

Please stay tuned for further details on the program and thank you for your patience during this transition.
