

TOWN OF RAYMOND CODE

Article III

Damage to Structures and Improvements

Adopted February 14, 2000

Section 277-7. Limited Liability

The Town of Raymond, New Hampshire, shall no longer be responsible to replace, repair or reimburse for damage to structures or improvements located within the right-of-way of any Town-maintained road, with the only exception of **properly installed and maintained mailboxes**, located within the right-of way because of land configurations that make it impossible to install the mailbox anywhere else, which are physically struck by Town maintenance equipment.

Section 277-8. Structures and improvements not covered.

Such structures or improvements shall include but not be limited to the following: **improperly installed and maintained mailboxes**, fences, stonewalls, lawns, driveways or **other objects** located with the right-of-way.

Section 277-9. Responsibility of property owner

It shall be the responsibility of the property owner to replace, repair or relocate any structures or improvements **within the Town right-of-way** which has been damaged or destroyed as a result of Town road maintenance activities, either winter or summer related.

PLEASE BE SURE THAT YOUR MAILBOX IS READY FOR WINTER

THE FRONT FACE OF THE MAILBOX MUST BE LOCATED 36 INCHES BACK FROM THE EDGE OF PAVEMENT
AND 42 TO 48 INCHES HIGHER THAN THE ROAD SURFACE.

MAILBOX SUPPORTS MUST BE STRONG ENOUGH TO SUPPORT THE BOX AND CONTENTS, PLUS RESIST
NORMAL SUMMER AND WINTER ROAD MAINTENANCE ACTIVITIES.
